(New York, New York) **fracas**, Robert Piguet's classic fragrance, has been selected for inclusion in the Gift Baskets given to the presenters at the 10th Annual Screen Actors Guild (SAG) Awards®. These awards, to be telecast on Sunday, February 22, 2004, hold a special place in actors' hearts - of the top industry accolades presented to performers, only the SAG® Awards are selected by the actors' peers.

The ceremonies are one of the awards season's hottest tickets, a glamorous evening attended by the world's finest actors. The Screen Actors Guild Awards® are closely watched by the industry as a precursor of possible Oscar® and Emmy® recognition. **Michael Douglas** will present the Guild's Life Achievement Award to actor, **Karl Malden**. Mr. Douglas and Mr. Malden starred in the television show, "*The Streets of San Francisco*". Actor® recipient, **Sean Hayes**, will introduce a look back at a decade of SAG Awards®. Among this year's presenters are two-time Actor® recipient and current nominee, **Renee Zellweger**, eight-time SAG Award® nominee, **Meryl Streep**, three time recipient, **Catherine Zeta-Jones**, Actor® nominees, **Jeff Bridges**, **Peter Dinklage**, **Tim Robbins**, **Naomi Watts**, and Actor® recipient **Daniel Day-Lewis**. Additional presenters are **Jennifer Garner**, **Mariska Hargitay**, **Mark Harmon**, **Jane Kaczmarek**, and **Kiefer Sutherland**. The exclusive group of **fracas** devotees includes Madonna, Iman, Kim Basinger, Sarah Michelle Geller, Carolina Herrera, Stella Tennant, Sofia Coppola, and Fernanda Niven.

fracas, created in 1948, is an enchanting blend of tuberose, jasmine, jonquil, gardenia, lily of the valley, and white iris with a whisper of orange and a base of sandalwood, Vetiver, and musk.
